Students Love Oliveboard's Structured Courses & Content

“

Oliveboard helped me a lot in this journey. Its mock test quality is highly reliable. The level of questions prepared by them for the prelims and mains is at par with the real exam. Especially, its **Puzzle Mania and Data Interpretation books** helped me a lot to get a stronghold in these two sections.

- **Himanshu Garg** | RBI Assistant

”

“

Solve DI DECODED Book by OLIVEBOARD. It contains all the important questions and types which are required to get good marks in the mains exam. I would say, it is better to attempt 1 Oliveboard mock test rather than giving 10 mock tests of other platforms. Now why I am saying this is because Oliveboard mock tests are the toughest of all. If you want to score well then these mock tests will give you confidence in the exam.

- **Alind S.** | IBPS PO

”

“

Oliveboard was along with me in my complete journey earlier in the form of Youtube Videos then in the form of Puzzle and DI books and then in the form of Mock Tests. Oliveboard helped me build my concepts and then furnish them. I am grateful to the complete team of Oliveboard for providing aspirants like me with quality content and all the updates of every bank exam from time to time.

- **Kirtan Buhecha** | IBPS PO

”

“

"I joined Oliveboard" and attempted at least 25 to 30 mock tests. The mock tests were tougher than the real exam, but they helped in better preparation. Especially in Section 1, where I had to be very fast. Oliveboard helped me improve my speed."
- **Shubham Agrawal** | AIR 1, SSC CGL, 2024

”

“

"I enrolled in Oliveboard's Sankalp Foundation Batch 2.0 for SSC CGL, 2024 for a structured preparation. I wanted a realistic test experience, so I tried multiple platforms. I found Oliveboard to be close to the actual exam difficulty level."
- **Manjot Singh** | AIR 1, SSC CGL - JSO, 2024

”

“

The excellent Oliveboard faculty really helped me in my SSC CGL prep. **I took the SSC Super Elite Subscription** and attended the classes. **I scored 135/135 in English in SSC CGL 2024**—thanks to Aditi Ma'am. Thank you, Oliveboard!
- **Avinash Kumar** | AIR 1273, Inspector, SSC CGL 2024

”

“

I took Oliveboard's paid subscription for SSC prep, and it was a wise decision. The quality content, user-friendly interface, and error-free solutions helped me manage exam pressure and perform really well.
